The position

As contact person for our international business partners, the Supply Chain Executive takes care of the follow up of the contract with our suppliers. This includes preparing, planning and booking transport. The job is very diverse and challenging due to its speed and complexity. We are looking for a strong, pro-active and analytic employee who is interested in arranging international logistics.

Tasks and responsibilities

- Ensures correct organization and optimal execution of purchase contracts;
- Internal contact for colleagues from own and other department for customs, country regulations, export documents and changes in the supply chain;
- Responsible for correct document management;
- Invoicing;
- Provides Customer Service and build, maintain and develop long term relationships with the assigned customers;
- Handling minor non-conformities and claims;
- Maintain contact with external relations based on contract terms (e.g. banks and veterinary services in multiple countries).

We offer

- A challenging job;
- Working within an international environment;
- Working within a young, fast growing and multi-cultural organization;
- Working within a company that is certified as "Great Place To Work";
- Various training and development opportunities;
- A competitive salary and excellent secondary employment conditions.

We are looking for an Operations Coordinator who

- Has a BSC / MSC degree;
- Has strongly developed problem solving skills, accuracy and is detail oriented;
- Possesses the following competences: Teamwork, Effective Communication, Management and Responsibility, Leadership, Focused and Initiative, Customer focus, Relationship building, Analytical, Financial Awareness;
- Has good knowledge of automated systems (Microsoft Office and - Dynamics or another ERP-system);
- Is fluent in English, knowledge of the Spanish and/or French language is preferred.

About Numidia

Numidia is a dynamic company, specialized in the international trade of quality dairy products (butter, cheese, milk powders, liquids, etc.), dairy related ingredients and dairy derivatives. Our clients and suppliers are located worldwide. Numidia has, next to the HQ in The Netherlands, offices in Montevideo, Dallas, and Singapore. We built a strong track record in dairy industry and with our market- and product expertise, a personal and pro-active approach and we strive for operational excellence with people who make the difference in all areas. Our core values are transparency, reliability, flexibility, authenticity and long-term relationships.
