YOUR EXPERT PARTNER IN DAIRY

For the Supply Chain Department at our HQ in Herten (Roermond) in the Netherlands, we are looking for a

## Supply Chain Executive Liquids (M/F)

Fulltime

If you are interested in a challenging, international and dynamic function in a fast-growing organization, we are looking for you!

### The position

The Supply Chain Executive Liquids is responsible for the logistics of our liquid products. Because the shelf life of these products is really short it has to be transported with great care and speed, this requires the necessary care and attention of you. You will be in contact with our suppliers, transporters and customers making sure the products will be picked up, transported and delivered the right way.

### Tasks and responsibilities

- Ensures correct organization and optimal execution of purchase and sales contracts;
- Invoicing;
- Understanding customer and supplier requirements;
- Provides Customer Service and builds, maintains and develops long term relationships with the assigned customers and suppliers;
- Management reporting, status overviews and controls;
- Internal contact for colleagues from own and other department;
- Handling minor non-conformities and claims.

### We offer

- A challenging job;
- Working within an international environment;
- Working within a young, fast growing and multi-cultural organization;
- Working within a company that is certified as "Great Place To Work";
- Various training and development opportunities;
- A competitive salary and excellent secondary employment conditions.

### We are looking for an Supply Chain Executive Liquids who

- Has a BSC / MSC degree;
- Has experience in Supply Chain planning and reporting (pre);
- Has strongly developed problem solving skills;
- Possesses the following competences: Teamwork, Effective Communication, Management and Responsibility, Leadership, Focused and Initiative, Customer focus, Relationship building, Analytical, Financial Awareness;
- Has good knowledge of automated systems (Microsoft Office and - Dynamics and ERP-systems);
- Is fluent in English and minimum 1 other language (advanced level).

### About Numidia

Numidia is a dynamic company, specialized in the international trade of quality dairy products (butter, cheese, milk powders, liquids, etc.), dairy related ingredients and dairy derivatives. Our clients and suppliers are located worldwide. Numidia has, next to the HQ in The Netherlands, offices in Montevideo, Dallas, and Singapore. We built a strong track record in dairy industry and with our market- and product expertise, a personal and pro-active approach and we strive for operational excellence with people who make the difference in all areas. Our core values are transparency, reliability, flexibility, authenticity and long-term relationships.
