

# NUMIDIA

YOUR EXPERT PARTNER IN DAIRY

For the Finance Department at our HQ in Herten (Roermond) in the Netherlands, we are looking for a

## Accounts Payable Accountant

FTE in consultation

If you are interested in a challenging, international and dynamic function in a fast-growing organization, we are looking for you!

### The position

As Accounts Payable Accountant you play a crucial role in a smooth purchase-to-pay process, ensuring the best possible service to our suppliers and business partners. You'll be working in a highly automated environment with advanced tools that support the AP process, so you can focus on the process steps with the highest added value. You will be representing Numidia towards our suppliers and are the linking pin between suppliers, finance department and other Numidia departments.

You'll be part of an experienced finance team that works in close cooperation with each other and is always willing to help and support.

### Tasks and responsibilities

- Perform a 3-way match on incoming supplier invoices and process in the ERP system;
- Work in close conjunction with finance and business control to align and ensure the right VAT and accounting treatment;
- Work in close conjunction with other departments for invoice approval through workflows and correct supplier instructions;
- Point of contact for supplier inquiries;
- Continuous process improvement through: automation, IT tooling and Lean problem solving techniques;
- Support month-end-close activities;
- Support various audits.

### We offer

- A challenging job;
- Various training and development opportunities: for example assistant AP team lead or assistant controller;
- Working within an international environment;
- Working within a young, fast growing and multi-cultural organization;
- Working within a company that is certified as "Great Place To Work";
- Various training and development opportunities;
- A competitive salary and excellent secondary employment conditions.

### We are looking for an Accounts Payable Accountant who

- Has a MBO level 4 degree or bachelor degree;
- Has a minimum of 2 years relevant experience;
- Has basic knowledge of VAT;
- Has basic knowledge of ERP and accounting software and affinity with IT. Knowledge of Dynamics 365F&O and/or Kofax is a pre but not required;
- Is service oriented;
- Possesses the following competences: Teamwork, Effective Communication, Management and Responsibility, Leadership, Focused and Initiative, Customer focus, Relationship building, and Financial Awareness;
- Is fluent in Dutch and proficient in English.

### About Numidia

Numidia is a young and dynamic company, specialized in the international trade of quality dairy products (butter, cheese, milk powders, liquids, etc.), dairy related ingredients and dairy derivatives. Our clients and suppliers are located worldwide. Numidia has, next to the HQ in The Netherlands, offices in Montevideo, Dallas and Singapore. We have built a strong track record in the dairy industry and with our market- and product expertise, a personal and pro-active approach, we strive for operational excellence with people who make the difference in all areas. Our core values are: transparency, reliability, flexibility authenticity and long term relationships.
