

NUMIDIA

YOUR EXPERT PARTNER IN DAIRY

For the Supply Chain Department at our HQ in Herten (Roermond) in the Netherlands, we are looking for a

Supply Chain Executive (M/F)

Fulltime

If you are interested in a challenging, international and dynamic function in a fast-growing organization, we are looking for you!

Your Role

The Supply Chain Executive is our spider in the web. You will contribute to the optimizations of our order book based on product groups. While handling the supply chain activities, you are contributing to an optimal flow of our product positions by aligning supplier, customer and country requirements. You will also keep an eye on aging stocks and shelf life of products in consultations with the allocations holder. With your knowledge of the stock, you will report to multiple internal stakeholders to optimize the collaboration between customer care and operations departments.

Tasks and responsibilities

- Managing stock accuracy, inbound execution and warehouse reconciliation.
- Planning and overseeing the supply chain for assigned product groups.
- Organizing orders based on supplier and country requirements.
- Maintaining communication with suppliers, transporters and warehouses.
- Identifying inventory issues, managing call-offs, and controlling month-end closing.
- Providing internal support, resolving non-conformities, and adhering to Numidia certificate guidelines.

We offer

- A dynamic and challenging role in a fast-paced industry.
- The opportunity to work in a vibrant international environment with colleagues from diverse backgrounds.
- Working within a company that is certified as "Great Place to Work".
- Continuous learning through various training and development opportunities to advance your career.
- A competitive salary and an attractive package of benefits.

What We're Looking For

- BSC / MSC degree in Supply Chain or a relevant background.
- 0-2 years of experience in Supply Chain or a relevant role.
- Strongly developed problem solving skills.
- Possesses the following competences: Teamwork, Effective Communication, Management and Responsibility, Leadership, Focused and Initiative, Customer focus, Relationship building, Analytical, Financial Awareness.
- Good knowledge of automated systems (Microsoft Office and - Dynamics and ERP-systems).
- Fluency in English and 1 other language (preferred).

About Numidia

Numidia is a dynamic company, specialized in the international trade of quality dairy products (butter, cheese, milk powders, liquids, etc.), dairy related ingredients and dairy derivatives. Our clients and suppliers are located worldwide. Numidia has, next to the HQ in The Netherlands, offices in Montevideo, Dallas, and Singapore. We built a strong track record in dairy industry and with our market- and product expertise, a personal and pro-active approach and we strive for operational excellence with people who make the difference in all areas. Our core values are transparency, reliability, flexibility, authenticity and long-term relationships.

Are you interested?

Do you want to make the difference? Good! Please send your resume and motivation letter to HR@numidia.nl and we will get back to you within a week after you send your details. Feel free to also reach out to HR for any questions about this vacancy.
